

Jefferson Lions Club

Christmas is a very special time in Jefferson. One of the most festive parts of Christmas in Jefferson is the **Enchanted Forest** at Lions Park, hosted by the Jefferson Lions Club. Each year trees are sponsored and decorated by individuals, friends, civic organizations, clubs, and businesses to honor the season. The **Enchanted Forest** is lit each night at dusk and open for folks to walk through and enjoy the magic that is Christmas in small town America. Thousands of people have toured the decorated trees every year since 1991.

With sponsorship you will get a 5-6 foot Leland Cypress tree in a seven-gallon bucket to decorate. After Christmas you are able to take your tree for planting at your home or a location of your choice. The Lions Club will plant trees not removed in area parks or other suitable locations.

Christmas Tree sponsorship is \$50 per tree. (Limited to 125)

Christmas Trees with lights, decorations, and labor provided by the Lions are \$100 per tree.

Wreaths are \$40 each or \$65 with decorations and labor provided by Lions Club. (Wreaths are limited do to space)

All Proceeds from tree sales will go towards LOCAL Scholarships, Charitable donations and student vision needs.
